

TO ALL CAMEROONIAN CITIZENS LIVING OR ESTABLISHED IN SOUTH AFRICA

Dear Compatriots,

On Sunday October 12, 2025, Cameroonians at home and abroad will be going to the Polls to elect the President of the Republic.

Our Head of State, H.E. Paul BIYA encourages all Cameroonians to join him in working for an ever more united, prosperous and democratically stable country.

The sacred mission of his mandate as President of the Republic of Cameroon remains unchanged – keeping Cameroon united, peaceful, modern, and prosperous.

While much progress has been achieved over the years in various socio-economic and political domains, our Head of State acknowledges that much remains to be done, and the best is yet to come.

The Head of State is confident that we as a people can overcome all challenges and obstacles thanks to the courage, commitment, and creativity of all citizens.

In Pretoria where Cameroonians in South Africa will be voting on October 12, 2025, the Cameroon High Commission reminds all compatriots duly registered on the electoral roll, to conduct themselves with dignity and patriotism.

Over the last few years, the doors of the High Commission have remained open to all citizens without distinction or discrimination on the basis of ethnicity, religion or political affiliation.

In keeping with our Head of State's policies and directives, we at the High Commission have sought to mobilise and bring together all Cameroonians and to foster peace and harmony among them.

We have sought to serve all Cameroonians with respect, probity and celerity, reaching out to provide consular services and assistance to our compatriots resident in many countries within the Southern African Sub-region.

We continue to do our work in a manner to reflect to you and the world at large the image of the modern Cameroonian nation our Head of State invites us all to build with him.

We are happy that many Cameroonians in South Africa and in countries under our jurisdiction have responded positively to our efforts by expressing faith anew in the future of our country.

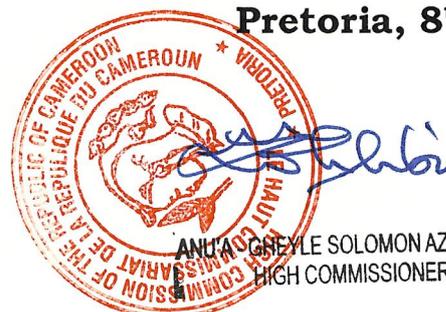

As you go to the polls on October 12, 2025, we urge you to vote for the consolidation of these positive achievements and favourable trends under the wise, patient and tolerant leadership of our Head of State, a widely venerated Statesman.

We urge all Cameroonians to avoid the temptations of blackmail and slander that is often rife and rampant during electoral campaigns, as well as the negative exploitation of social media to peddle denigrating messages and images against our country and its leaders.

We all have a stake in ensuring that our country and institutions are respected and that Cameroonians are seen as a dignified people, resolutely committed to the good of their nation, peace-loving and highly conscious of anything that can lead to disorder and chaos.

In light of the above, we call on all Cameroonians going to the Polls on October 12, 2025, within the South African electoral constituency, to exercise their civic right to vote with responsibility, calm and order; and to demonstrate utmost dignity and discernment.

Pretoria, 8th October 2025

**ANITA GNEYLE SOLOMON AZOH - MBI
HIGH COMMISSIONER**
